New Business

- a. Food Bank delivery – Julie read written report from Dan and Nancy:
- May – 2 large bags of food – Food Bank
 - June – 1 bag of food – Birch Bay Fire Station
- Note: during the spring, food donations were slow.

- b. 2009 Christmas Fund Raiser – Julie read written report from Dan and Nancy:
Total amount to date -- \$237.35
- c. Electric Roasters: Sue Wickersham recommended we purchase two roasters. We have borrowed from Maureen DaShiell for years. The roasters can be used for many events. It was moved and seconded to purchase out of Activities Committee funds. Roy Russell and Jack Vergith volunteered to research and purchase.
- d. Coffee pot: Roy Russell recommended we purchase a large stainless steel coffee pot for use at Wednesday morning coffee. Current products are not meeting the need of 50 plus people and Carol Jenkins is being overloaded. It was moved and seconded to purchase an electric stainless steel 45 cup coffee pot out of Activities Committee funds. Roy Russell and Jack Vergith volunteered to research and purchase.
- e. Card Tables: this was discussed and these need to come out of general funding.
- f. Activities Calendar: there are two new activities to be added to the weekly activities listing – (1) Duffers golf after Wednesday coffee at Sea Links – See Jean Hampton (2) Bridge lessons each Thursday at 12:30 – lessons provided by Leonard and Lorraine Lockerby in the office.
- g. Honoring the outgoing president and members of the Board: after much discussion the following was moved and seconded -

Activities Committee would purchase a memento for each retiring president such as a plaque and present on behalf of the owners and honor the Board each year for their volunteer work. At the same time there will be a general acknowledgement and honoring of all park volunteers. For 2009 we will do it at the Fiesta Party on 8/29/09; thereafter, we will schedule it at the event following the AGM each year. Irene and Jack Vergith volunteered to get the plaque for Denny. Julie will work with Patty Greene on the format for the honors on 8/29.

- h. Acoustics: Sue Wickersham introduced the topic of better acoustics in the clubhouse. We all agreed that the noise level is untenable when we have large crowds, and people with sensitive hearing have a difficult time participating in activities because of it. Jack Vergith and Roy Russell volunteered to conduct research on decorative panels that hang from the ceiling above the lights. So we can present our findings on how to lessen the noise level, Julie will frame-up a proposal that will include costs / benefits to be presented to the board for their consideration. Jack and Irene Vergith and Roy Russell will help Julie develop the proposal. We also discussed the level of expertise based on years of business experience by different owners and we need to take advantage of that when various improvements need to be made. For example Jack Vergith and his experience with acoustics.
- i. Bulletin Board and Newsletter: Patty Greene brought up a suggestion of a bulletin board in the mail room that would contain information about people with specific skills, information about people who are having medical difficulties, birthdays etc, and how can we get a newsletter. The issue around the bulletin

board is the ongoing management / administration due to the need for a full time volunteer. The newsletter needs to have a “gatekeeper” much like you have on a website to assure appropriate and valid information is posted.

Next Activities Committee Meeting: August 8. (Julie will not be available 7/11 and 7/18)

Meeting was adjourned at 11:23

Respectfully submitted by Julie Hillman and Ella Swetalla
