Clubhouse Reservation General Information

ONLY LATITUDE 49 OWNERS OF PROPERTY MAY RENT THE CLUBHOUSE

Latitude 49 Resort Park Association maintains the Clubhouse and facilities. The Board of Directors has designated INTEGRA Condominium Association Management to process applications for reservations for Clubhouse rentals. INTEGRA coordinates with Activities to maintain a current master calendar. Rental fees and cleaning (damage) deposit checks shall be made payable to Latitude 49 Resort Park Association. These funds are deposited into the General Fund.

An Owner who rents the Clubhouse must agree to abide by the following:

1. Rental of the Clubhouse is an “at your own risk” rental agreement; therefore, Latitude 49 will **not** be liable for any injuries sustained by the renter, family members, other Owners or any guests who attend the event hosted by the Owner who rents the Clubhouse. NOTE: The Clubhouse may be rented for 6 hours each time, which includes setup and cleaning time.
2. Any violation of Latitude 49 Rules and Regulations will result in fines levied in accordance with the fine schedule listed in the current Rules and Regulations document.
3. Decorations are limited to items that will not damage Latitude 49 property or that of other Owners. Use of flammable items, such as, but not limited to, patio torches are strictly prohibited.
4. A “walk through” prior to the use of the Clubhouse and a “checklist” follow up are conducted with the Owner who rents the facility and a designated Board representative both of whom sign the latter document.
5. A reminder: the Clubhouse may not be rented for political purposes or fund-raising activities.
6. The renter must supply all disposable supplies (e.g., napkins, coffee, condiments) for the event; no Latitude 49 kitchen implements or supplies may be removed from the kitchen.
7. The renter is responsible for cleaning the Clubhouse after the rental as detailed in the checklist form. If additional cleaning or repair of Latitude 49 Association property is required, the actual costs incurred will be assessed to the renter for immediate reimbursement.
8. Rental of the Clubhouse is restricted to that building; therefore, it does not include the use of its adjacent buildings, property or equipment (e.g., patio area, game room, exercise room, ping pong room, small kitchen, or the pool).
9. The microphone, stereo, and karaoke equipment are not included in the rental.
10. If the renter intends to serve alcohol at the event, s/he must acquire a banquet license. A photocopy of the permit must be submitted to INTEGRA seven days prior to the event. The original license must be posted on site at the event.
11. The renter must be present at all times during the rental.
12. Smoking of any kind in the Clubhouse is strictly prohibited.

I have read and agree to comply with all of the listed conditions and rules of this document as well as the Clubhouse rental reservation agreement form:
