

LATITUDE 49 ARCHITECTURAL REQUEST

PLEASE SUBMIT ONLY ONE PROJECT PER REQUEST FORM

Owner: _____ Lot Number: _____ Date: _____
Phone #: _____ Email: _____

Complete the Request in Blue or Black ink

During the months of May thru September, the Architectural Committee meets every Wednesday. During the months of October thru April, the Architectural Committee meets on the 1st & 3rd Wednesday of each month. Submit your request for review by the Architectural Committee by placing it in the Drop Box in the mail room; submit it by posted mail to: Latitude 49 OFFICE, 4751 Birch Bay-Lynden Road, Blaine, WA 98230; or, send it by e-mail to INTEGRA at: incam@live.com. Forms that have been reviewed will be placed in the wall unit located in the Latitude 49 mailroom. If you are unable to access the mailroom, please enclose a stamped self-addressed return envelope for the reviewed form to be returned to you. No work may commence prior to approval by the Architectural Committee. Additional request forms are available in the mail room Return File or on-line at www.latitude49resortpark.com/forms-and-documents/

PROJECT:(describe the size, material, color, and submit a DRAWING of lot structures or improvements)

ADDITIONAL INFORMATION REQUIRED FOR YOUR REQUEST:

- A. A drawing is required describing placement of your improvements and provide details on:
- Setback distance (see below)
 - Total square footage of all impervious surfaces (for e.g., park model or manufactured home, shed, roof structure, all concrete, et al.)
 - 1250 sq feet of impervious surface allowed for all lots except lots #152 to #233 where 1750 sq. feet is permitted.
 - 890 sq. feet of floor space allowed for all lots except lots #152 to #233 where 1188 sq. feet is permitted (Exterior Dimensions measurement).
- B. Please note setbacks required by Whatcom County:
- | | |
|---|--|
| a. 5 feet side and back of all structures | b. 10 feet on all lot street frontages |
| c. 10 feet on the South perimeter | d. 25 feet on the East perimeter |
| e. 35 feet on the North perimeter | f. 20 feet on the West perimeter |

LATITUDE 49 ARCHITECTURAL REQUEST

Please read and initial the guidelines below before you submit your architectural request.

1. Any and all Whatcom County and State permits must be obtained and copies submitted to the Architectural Committee before any work commences. (For e.g., enclosing a deck requires a Whatcom County permit) _____ Initial
2. The Owner must contact every project-relevant UTILITY Company for the location of its lines and assumes ALL LIABILITY for any damage to them (i.e., electrical, water, sewer, telephone, cable TV, gas and/or irrigation lines) that occurs during work. _____ Initial
3. The electrical pedestals on each lot in Latitude 49 are designed to provide a maximum of 100 amp service. _____ Initial
4. All work must conform to the Latitude 49 Governing Documents in effect at the time construction or work begins. (Refer to Latitude 49 Rules & Regulations) _____ Initial
5. All improvements approved on this Architectural Request Form must be completed within 7 months of the date of approval on the Architectural Request Form or the owner must submit a request for an extension of time to complete the project. _____ Initial
6. If you are using an outside contractor, please supply the following:
Name of Contractor _____ Phone: _____
State Contractor's LIC# _____
7. Latitude 49 or INTEGRA (360/ 656-5091) must be notified 72 hours prior to DELIVERY of any structures to be placed on your property. This will ensure the main gate is open at time of their arrival. The Owner or authorized representative MUST be available at the installation site when they are delivered.
8. Any debris and or rubbish from the CONSTRUCTION or work site must be removed by the contractor or the property owner. Absolutely no construction materials are to be discarded in the trash compactor or seasonal dumpster. See p. 4 for close available disposal sites.
The Association will levy a fine and/or cost for the removal of such material or for any other improper use of the Home Owner's Association Compactor.
9. COMPLIANCE NOTIFICATION REQUIREMENT--When you complete your project you must notify the Architectural Committee in writing whereupon a Committee member and a Board member will inspect it to determine that it complies with the original, approved proposal. _____ Initial

I have read and understand the above guidelines.
